**Subject:** 11/17 Hunters Pt Community Mtg - draft Q&As for potential press re rad  
**Attachments:** Press Q&A Hunters Pt Mtg 11-17-2014.docx

We are holding a community meeting 11/17 to solicit input on priorities for technical assistance needs. It's always possible the press could attend any public meeting. I've talked with Jackie and Robert and drafted the attached Q&As re radiation issues in case the press show up and reporters and public ask questions about radiation issues. Should I also set up a mtg next week to discuss? Mon 11/10 at 2:30 pm looks available if you think that would help.
